exhibit decreased aggregate formation. Figures 1 to 6 were inadvertently omitted from the application at filing.

The drawings mentioned in the specification as filed simply depict graphically the data from the examples in the specification and are not necessary to understand the invention. References to the Figures have been removed from the application by the accompanying Preliminary Amendment.

The fee for filing this Petition in accordance with 37 C.F.R. § 1.17(h) is \$130.00, which the Director is hereby authorized to charge Deposit Account No. 08-2525. Applicants request that upon grant of this Petition, the petition fee be refunded by credit to Deposit Account No. 08-2525. No additional fees are believed due. However, the Director is hereby authorized to charge any deficit, or credit any overpayment, to Deposit Account No. 08-2525.

For these reasons, Applicants respectfully petition the Patent Office to withdraw the Notice of Incomplete Application and grant December 15, 2003, as the filing date of the instant application.

Respectfully submitted,
